Residential Construction Warranty Insurance

Important Notices

The policy is made up of this policy wording, any endorsements and the certificate of insurance. You should read those documents together, to tell you what we cover, what we exclude, what we pay to settle claims and other important information.

Please note that you have obligations under the policy with which you must comply, otherwise we may not have to pay your claim(s).

Renewal

The policy will not be renewed and is not of a kind that it is usual to renew.

Duty of Disclosure

Before you enter into a contract of general insurance with an insurer, you have a duty, under the *Insurance Contracts Act 1984*, to disclose to the insurer every matter that you know, or could reasonably be expected to know, is relevant to the insurer's decision whether to accept the risk of insurance and, if so, on what terms.

You have the same duty to disclose those matters to the insurer before you renew, extend, vary or reinstate a contract of general insurance.

Your duty however does not require disclosure of any matter:

- ▼ that diminishes the risk to be undertaken by the insurer;
- ▼ that is of common knowledge;
- ▼ that your insurer knows or, in the ordinary course of its business, ought to know;
- ▼ as to which compliance with your duty is waived by the insurer.

Non-disclosure

If you fail to comply with your duty of disclosure, the insurer may be entitled to reduce its liability under the contract in respect of a claim or may cancel the contract.

If your non-disclosure is fraudulent, the insurer may also have the option of avoiding the contract from its beginning.

Limitation or Exclusion of Rights Against Third Parties

You must not limit or exclude your rights against a party from whom you might otherwise be able to recover in respect of loss or damage. If you do, our liability to you is reduced to the extent that we can no longer recover from that other party as a result of the limitation or exclusion by you.

Interested Parties

The cover provided by this policy does not extend to an interest in the residential building that is not your interest. We will not be liable under this policy to anybody except you.

The cover provided by this **policy** does not extend to an interest in the **dwelling** that is not your interest. We will not be liable under this **policy** to anybody except you.

4. When Cover Becomes Effective

Even though you or another person who applies for this insurance may be required to pay the premium (and associated statutory charges) when lodging a **project application**, we may refuse to accept the **project application**. The **work** is not covered until we have provided to you or that other person a certificate of insurance evidencing insurance for the **work**.

If we have provided to you or another person a certificate of insurance evidencing insurance for the **work**, we are not entitled to refuse to pay a claim in respect of the **work** or to cancel the insurance merely on the grounds that the premium (and associated statutory charges) were not paid.

5. How Long We Cover You For

5.1 The policy provides cover in respect of loss or damage;

- (a) arising from non-completion of the **work** for 12 months after the failure to commence, or cessation of, the **work**;
- (b) arising from a **structural defect** for 6 years after the **completion** of the work or the end of the **contract**, whichever is the later;
- (c) other than loss or damage arising from a **structural defect** or non-completion of the **work**, for 2 years after the **completion** of the **work** or the end of the **contract**, whichever is the later.

5.2 Work is taken to be complete:

- a) on the date that the work is completed within the meaning of the contract under which the work was done, or
- b) if the contract does not provide for when work is completed or there is no contract, on the date of the final inspection of the work by the applicable principal certifying authority, or
- c) in any other case, on the latest date that the contractor attends the site to complete the work or hand over possession to the owner or if the contractor does not do so, on the latest date the contractor attends the site to carry out work.

6. When Must You Notify Of Your Loss

Without limiting clause 7, this policy provides insurance cover in respect of loss only if:

- a) in the case of cover for loss arising from non-completion of work, loss becomes apparent and is notified to us within the period of insurance, or
- b) in any other case:
 - (i) the loss becomes apparent and is notified to the insurer within the period of insurance, or
 - (ii) the loss becomes apparent during the last 6 months of the period of insurance and is notified to us within 6 months after the loss becomes apparent.

A loss "becomes apparent" when you first become aware (or ought reasonably have become aware) of the loss.

7. When You Must Make a Claim

- (a) Except as referred to in clause 7(b) we will not pay any claim if the claim is notified to us later than 6 months after you first become aware, or ought reasonably to be aware, of the fact or circumstance giving rise to the claim;

- (b) We will not pay any claim for loss or damage resulting from incomplete **work** if the claim is notified to us later than 12 months after:
 - (i) the **Contract** date;
 - (ii) the date provided in the **contract** for commencement of **work**; or
 - (iii) the date **work** ceased,whichever is the later.
- (c) We may not reduce our liability under this **policy** or reduce any amount otherwise payable in respect of a claim, merely because of a delay by you in notifying us of a claim if the claim is notified to us within the time periods specified in clauses 7(a) and 7(b) above.
- (d) Provided we have received your claim, we are taken to have accepted liability for the claim if written notice of our decision in relation to your claim is not given to you within 90 days of you lodging your claim with us, or such further time as may be agreed between you and us.

8 Non-disclosure or Misrepresentation

We are not entitled to either refuse to pay a claim under this **policy** or to cancel the **policy** on the grounds that the policy was obtained by misrepresentation or non-disclosure by the builder.

We may, however, recover from the **builder** any amount we would not otherwise have paid in those circumstances.

You must comply with your obligations under the **policy**, otherwise we may not have to pay your claim(s).

9. Subrogation

If we pay a claim, we are entitled to be subrogated to your rights against any party in relation to the claim to the extent of the amount paid by us.

You must not limit or exclude your rights against a party from whom you might otherwise be able to recover in respect of loss or damage. If you do, our liability to you is reduced to the extent that we can no longer recover from that other party as a result of the limitation or exclusion by you.

10. Other Terms

In addition to notifying us of your loss within the period of insurance, you are required to take action to enforce the statutory warranty from the breach to which your loss arises. Should no action be taken by you, Vero is able to reduce its liability by an amount that fairly represents the extent to which our interests have been prejudiced.

You must use our claim form to make a claim.

A claim will be deemed to be received by the Insurer when the Insurer receives from you all of the Prescribed Claim Information, which includes;

- a) The name, address and telephone number of each owner of the property, which is subject to the claim;
- b) The address of the property subject of the claim;
- c) The name, address and if known the telephone number of the Builder;
- d) Details and all relevant documents obtained by you in support of your belief that the Builder is Insolvent, Dead or and Disappeared;
- e) Your Contract of Sale of the property and all attachments if you purchased the property after the completion of work by the Builder;
- f) The Building Contract between you and the Builder, all variations agreed to by you and the Builder, all plans and specifications relating to the work agreed to be performed by the builder;
- g) any approvals or certificates in relation to the work received by you from any relevant public or statutory authority, should you have contracted with the Builder;
- h) A description of all defective or incomplete work alleged by you together with the date in which it first became apparent;
- i) Reports obtained by you in relation to the building work; and
- j) Details of any prior complaints made or action taken by you in relation to the defective or incomplete work.

You must give us any assistance, information or documents which we request. This includes giving

us, your builder, and our nominated builder or contractor, reasonable access for the purpose of inspection, rectification or completion of work (unless you have reasonable grounds to refuse access).

You must not make any admissions, offer, promise or payment in connection with any claim.

You must comply with your obligations under the **policy**, otherwise we may not have to pay your claim(s).

11. Goods and Services Tax

In addition to the **policy** premium, we will charge an amount on account of GST.

Despite the other provisions of this insurance (including provisions in the wordings, any schedules and any endorsement), our liability to you will be calculated taking into account any input tax credit to which you are entitled for any acquisition which is relevant to your claim, or to which you would have been entitled were you to have made a relevant acquisition.

If your sum insured or policy limit is not sufficient to cover your loss, we will only pay GST (less any relevant input tax credit) that relates to our proportion of your loss. We will pay that GST amount in addition to your sum insured or policy limit.

'GST', 'input tax credit', 'acquisition' and 'supply' have the meaning given under the *A New Tax System (Goods and Services Tax) Act 1999*.
